

- *Motivated and socially conscious young people who want to make a difference*
- *Feeling overwhelmed - lack the tools, focus and self-belief to get started*

*"I want to make a difference, but I don't know how"*

*Embark on a once in a lifetime journey with dozens of other young people from diverse backgrounds and communities*

*Unstructured learning: sharing travel, accommodation, meals, social time and providing emotional support to peers throughout an intense journey rapidly bonds the group*

- ▶ *A diverse and tightly bonded network of young change-makers is created, connected to a network of alternative role models and support organisations for continued development and training opportunities*
- ▶ *A tailored personal plan of action helps each young person identify practical ways they can drive change in their communities after the journey ends*
- ▶ *With new energy, tools, focus and self-belief, the young network can begin to start new social impact initiatives in their local or cultural communities*

*Young diverse leaders step-up to constructively disrupt their communities*

*"I have the power to make change happen"*
